### Concept Reisefernsehen.com - Travel-Content only

The travel blog / travel portal, Reisefernsehen.com, provides travel clips around the clock, helping people to choose their travel destinations. Reisefernsehen.com provides individuals with a vivid glance into a particular holiday spot. The videos on this travel portal are designed to make people want to travel. Individual destinations, tours and other key holiday activities like cruises, city trips or activity holidays are presented. In addition, Reisefernsehen.com gives basic information about the holiday destinations.

You will find current details and information about events and activities as well as news about the area and much more in the section travel news. Travel information, service tips and current news from the tourism industry are displayed in the following sections: Current Topics/News, Activity Holidays, City Trips, Cruises, Unique Accommodations, Holidays Nearby, Short Trips, Travel Reports and Yachting. There are also theme-specific sections like "Carnival" or "New Year's Eve".

You can also subscribe to receive news about the travelling world in the form of an RSS news feed from Reisefernsehen.com.
